## Instructions to complete "First Snowfall" bracelet:

### Step 1
Thread a needle with 5 feet of beading thread (add new thread as needed), and wax the thread. Use flat peyote stitch (see Flat, Odd Count Peyote Stitch Technique) to weave the pattern shown (see next page for enlarged chart).

**Graph made with Beader's Canvas software (BK2597)**

### Step 2
When the bracelet reaches the desired length, weave the needle through beads until it exits the fourth bead on the last row. String 20 opaque rainbow sky blue Delica beads. Pass back through the first four Delica beads strung, forming a loop. Reinforce this loop at least three times.

### Step 3
In the same manner as in the previous step, exit from the 18th bead, make a second loop and reinforce. Weave back down through a few rows, and use a Perfect End Thread Burner (see Perfect End Thread Burner Technique) to burn the end of the thread.
### Step 4
Anchor a thread at the other end of the bracelet or use the remaining thread tail to attach the button clasps. Exit from the third bead, string four opaque rainbow sky blue Delica beads, one crystal round bead, and one opaque rainbow sky blue Delica bead. Pass back through the crystal round bead and the first four Delica beads. Reinforce the button attachment.

### Step 5
Weave the needle through beads. In the same manner as in the previous step, attach a second crystal round bead to align with the second loop made in Step 3. Trim and burn the end of the thread.
